The Oil-Club has launched a club for Romney Marsh and the surrounding area. If you would like to join or find out more about the club, please visit the web site: <https://www.oil-club.co.uk>.

The benefits are:

Reduced heating oil costs

Reduced heavy goods vehicle traffic through our villages

Reduced carbon exhausted into our environment

About The Oil-Club

The Oil-Club is an independent organisation and has no links to any of the suppliers. The Clubs aim is simple – reduce the cost of heating oil for our members and the environmental impact as much as we can! The Oil-Club already manages over 5,500 clubs across the country.

How much can we save you?

By grouping our deliveries by village or postcode sector and the bulk purchase ability of The Oil-Club, we are able to negotiate with our panel of suppliers the best bulk purchase price for heating oil and pass on the saving to our members.

As the membership grows so does the negotiating power of The Oil-Club!

How do we help the environment?

A village with 100 members will save between 150 to 180 heavy duty vehicle trips a year through your village. A big saving on wear and tear to our village, our lanes, roads and to the environment.
